Message From The Board

The warm weather since mid-March has helped the golf season off to a great start! We know our members are looking forward to the official opening of the swimming pool and tennis courts on Memorial Day weekend. We would like to welcome Mrs. Sue Hill and Mr. Brad McMillion to our pool managerial staff.

Many thanks goes to our

members who continue to support us. One year ago, we stated that we wanted

Fincastle to THRIVE. Thanks to you, we are doing just that!

Turf Talk

Agronomist Keith Happ returned for a third year to evaluate our course. His comments were favorable: "A great deal was accomplished since our last visit. Most noticeable was the continued improvement in turf health from the removal of unnecessary trees...The putting green surfaces are responding very well to last

fall's aeration and top dressing treatment...Tee expansion efforts are also producing results. Recapturing architectural features and lost playing space will go a long way..." Spring aeration is complete on the greens. We will be doing aeration on tees. Stump removal will begin very soon.
